PLACE OF PERFORMANCE: 1266 Redpath Crescent, Montreal, QC, H3G 2K1

DESCRIPTION OF REQUIREMENTS:

The U.S. Consulate General in Montreal has a requirement for installing a Natural Gas Generator 80KW.

Please note this solicitation is not ready to be issued as of this date. The Consulate of the United States in Montreal will launch the solicitation on the U.S. Embassy Ottawa website and MERX when it is available.

All responsible sources may submit a quotation which will be considered.

The Government intends to award a contract resulting from this solicitation to the lowest priced technically acceptable offeror who is a responsible contractor. The Government may award the contract based on the initial offer without discussion. The resultant contract will be a firm fixed price type contract.

The Government is planning a pre-quotation conference and the date for this conference will be included in the solicitation.

All contractors have to be registered in the SAM (System for Award Management) Database <https://www.sam.gov> prior to contract award pursuant to FAR provision 5.207. Therefore prospective offerors are encouraged to register prior to the submittal of quotations/proposals.

The guidelines for registration in SAM are also available at the above web address.
